45th Asian Conference Remote Sensing 2024

"Stepping Towards Economic Sustainability through Spatial Data Services"

GUIDELINES TO AUTHORS FOR EXTENDED ABSTRACT SUBMISSION:

✓ The authors should adhere to the given guidelines when preparing extended abstract to be submitted to ACRS 2024. Early submission is encouraged as it helps us to manage the review process in a timely manner.

✓ Only the authors received an acceptance of abstract can submit an extended abstract.

✓ Given template must be used to submit the paper in .pdf format with following the guidelines as below:

✓ **General Requirements and Format:**

Paper Title:	The Title of the extended abstract should be Times New Roman 14 with first letter of each word, other than the prepositions, capitalized in bold font.
Language:	All extended abstract must be in correct scientific English. Authors may choose to have their manuscript professionally edited, to improve the language, before submission.
Line Spacing:	The extended abstract must be 1.5 spaced.
Margins:	one-inch margins
Font size:	12-point Times New Roman font
Page size:	A4 paper.
Typeset text:	Use normal capitalization within the text and do not use bold face for emphasis. Italics are acceptable. Please use of footnotes if necessary. Endnotes are not permitted.
Length:	Extended abstracts should be at least three pages, but not more than five pages in length including the references. Word limit is 1500 - 2,000 words.

✓ **Structure of the Paper:**

The elements of the extended abstract can be organized in the following order listed:

1. Title
2. Author(s)
3. Affiliation
4. Introduction
5. Main Body Text (including a concise review of extent literature methodology, findings, discussion, and conclusion sections)
6. References

✓ **Authorship:**

- All authors should be listed on the first page after the title. The corresponding author is responsible for ensuring that all authors have seen, approved and are fully conversant with the contents of the extended abstract. All authors are responsible for the accuracy of the manuscript, including all statistical calculations.
- Author name(s) affiliation(s) and emails should appear after the title as follows: Lead Author, Co-Author One, Co-Author Two, etc. (Times New Roman 11).
- Full affiliation of all authors, including job title, faculty, university & country (Italic, Times New Roman 10 with upper- and lowercase letters, centered).
- *Corresponding author should be marked with asterisk.
- The e-mail address of the corresponding author should be indicated center-aligned below the authors and affiliations. (Times New Romans font in size 10).

✓ **Introduction:**

- The introduction of the extended abstract should state the nature of research gaps that addressed and the reason for it. It should provide background information about the work and its significance, while highlighting other relevant literature and specifying how it relates or differs from the work. It should also discuss the scope and limitations of the study in the introduction.

✓ **Main Body of the Extended Abstract:**

- The body of your extended abstract should follow the introduction and should include methodology, results, discussion, and the directions for future research. The methodology section should be descriptive enough that the reader can identify what was done. References to methodology are appropriate. Follow the template for expected format.
- All subtopics should be bold and in 12 font size and body of the articles should be typed using 12 font size.

✓ **References:**

- APA 7th edition (American Psychological Association 7th edition – more information http://www.apastyle.org/) should be used to reference. All references should be ordered in alphabetically.
