

Award Name: Choen Kim Award of the KSRS

Purpose:

The award is to promote academic and social bonding among AARS Members and among young and elder remote sensing scientists. The person who has contributed mostly for the friendship during previous ACRS events will be awarded.

Benefits: The awardee will receive a prize of \$1,000, donated by Prof. Choen Kim, to cover the cost for attending the coming ACRS.

Requirement: The awardee should attend the coming ACRS event.

Selection Process:

AARS Members can nominate candidates for Choen Kim Award of the KSRS through AARS. The Award Selection Board, formed by Prof. Choen Kim and board members of the Korean Society of Remote Sensing, will evaluate candidates and decide the awardee.

Email address for nomination: ksrs@ksrs.or.kr
